

Team B Supply List

To begin the year, students will need the following supplies. **As a reminder, students will need to replenish their supply of the consumable items (paper, pencils, expo markers) to be used throughout the school year. :-)** **You may want to stock up on consumable items now to take advantage of Back to School sales.** All of these items (except tissues and donations) are for personal use and should be labeled with your name. Prior to the first day of school, open your supplies and get organized.

- 1 pack of pencils with erasers
- 2 packs of lined paper
- 1 pack of blue or black pens
- 1 pack of red pens
- 1 -4 pack of highlighters
- 1 -4 pack of Expo markers (dark colors only & fine tip are easier to write on slates)
- 1 pencil pouch or box
- 1 box of colored pencils. You will also need items such as glue sticks and markers for science and social studies projects during the year.
- eraser for white board (homemade is acceptable)
- reading book (for SSR time)
- 2 composition notebooks (one for SS & SCI - different colors recommended)
- 1 3-subject spiral notebook (for ELA)
- 1 5-subject notebook with a durable poly/plastic cover (for Math). A one or two subject notebook is not enough . Please do not buy 5 - one subject notebooks. Math 8/Algebra students - see your math teacher for needed supplies.
- 1 or 2 boxes of tissues to be kept in advisory.
- 1 mini stapler
- 3x5 index cards (100+) and a container to hold index cards.

We would like each student to have some form of organizational system. This may include, but is not limited to:

- 1 binder with dividers or colored folders. (Matching colored folders with colors of notebooks for each subject is helpful.)

OR

- 1 Accordion folder with sections for each class.

Donations for the classroom that will be gladly accepted and greatly

appreciated:

expo markers

glue sticks

paper towels/tissues

sanitizing wipes/hand sanitizer

Crayola colored pencils 12 ct./markers 12 ct/crayons 24ct
